PITCH PERFECT RATE SHEET

1) The Acceleration Package (6 months)

Fee: \$900

This package is ideal for creative talent who are launching their creative business. You'll receive one-on-one counseling with guidance on everything from the essentials you'll need to get your business started to positioning yourself and managing your projects. The package includes:

- 2 hour consultation (in person if in New York)
- Personalized plan and assignments
- 12 full hours of counseling via phone/skype (2 hours per month)

2) The Changing Lanes Package (4 months)

Fee: \$700

This program is ideal for established creative professionals who want to re-position their professional brand. We'll review your current work, discuss your goals and develop a personalized strategy to help you achieve those goals. The Package includes:

- 2 hour consultation (in person if in New York)
- Personalized plan and assignments
- 8 full hours of counseling via phone/skype (2 hours per month)

3) The Cruise Control Package (3 months)

Fee: \$375

This program is ideal for independent creative professionals who want to optimize and streamline their creative business. Your personalized assignments will target specific areas or issue that you'd like to focus on. The package includes:

- 2 hour consultation (in person if in New York)
- Personalized plan and assignments
- 3 full hours of counseling via phone/skype (1 hour per month)

** Please note that your hours may be broken down into hourly or 30 minute sessions. They can't be rolled over to the next month, so be sure to use them!*
